Position: Physical Therapist (PT)
Location: Kalispell, MT
Open Date: February 3, 2021
Close Date: Open until filled

About us:

The Child Development Center (CDC) is a nonprofit agency which partners with families to support their children with developmental delays and disabilities where they live, play, and grow. We work in families' homes and communities across western Montana.

Our team is best described as passionate, dedicated, progressive, team-oriented, and family-friendly. CDC not only stands out in our discipline, but also as an employer. In addition to a competitive salary and benefits package, we foster a culture of fulfillment based on the employee as a whole. We work hard for our clients and for each other.

Office Locations:

Montana is waiting for you to discover its spectacular places, people, and wide open spaces. CDC is headquartered in Missoula, MT, with an additional office in Kalispell.

Missoula

Nestled in the Northern Rockies of Montana, surrounded by seven wilderness areas and at the confluence of three rivers, Missoula is an outdoor enthusiast's dream. Not only does Missoula have an incredible natural beauty, but also an eclectic culture filled with an endless array of art and entertainment events.

Kalispell

Kalispell is in the heart of the magnificent Rocky Mountains surrounded in rugged beauty. It's just minutes away from Glacier National Park, Whitefish Mountain Ski Resort, and Flathead Lake. Kalispell offers a balance of small city and outdoor adventure with everything from skiing and jaw dropping hikes, to museums, theater, and a variety of amazing dining options.

Position Summary:

We are seeking a 30 hour per week (.75 FTE) Physical Therapist who is energetic and interested in working with a growing non-profit agency. We focus on providing high quality physical therapy services to children that qualify for Part C Early Intervention services within our region of western Montana.

As a Physical Therapist with CDC, you would collaborate with Part C team members to provide support to families in meeting motor related outcomes. This position will conduct evaluations, coach and empower families with strategies on motor related outcomes, team with other professionals to meet outcomes in Individualized Family Service Plans, among other responsibilities. This position does require at least 50% of travel time outside of the Kalispell area with the ability to utilize teletherapy when appropriate.

At CDC, we offer you the opportunity to develop and advance your career in a passionate, caring, and supportive environment. Our staff is highly regarded in our field and passionate about our cause.

Qualifications:

- Physical Therapy degree from an accredited college or university
- A current Montana State Physical Therapy professional license or ability to obtain within 30 days

- Candidate must have, or the ability to obtain, an individual NPI and be willing to become credentialed for Medicaid and other frequently used insurance providers (CAQH) upon employment
- Valid Montana driver's license
- Ability to pass a background check

Benefits:

- Competitive salary commensurate with experience level
- Medical insurance with employer paid portion
- Optional Health Savings Account with employer contribution
- Optional Medical Flexible Spending Account with employer contribution
- Optional Dependent Care Flexible Spending Account
- Voluntary long term disability insurance
- Optional dental and vision insurance available
- Life insurance, AD&D, & short term disability insurance paid by employer
- 401(k) with employer match
- Continuing education assistance
- Ability to accrue over 5 weeks of paid time off per year (prorated for less than 40 hour employee)
- 10 paid holidays per year
- Mileage reimbursement
- Eligibility for some federal student loan reduction & forgiveness plans related to non-profit work

Application Instructions:

If you'd like to apply for our Physical Therapist position, please email, fax, or mail your resume and cover letter to the following address.
